RE: MURs 5577 and 5620
National Association of Realtors et al.

Dear Mr. Strini:

This is in reference to the complaints you filed with the Federal Election Commission on October 21, 2004 and November 29, 2004, concerning direct mail pamphlets from the National Association of Realtors ("NAR"). The Commission found that there was reason to believe the National Association of Realtors - 527 Fund ("NAR 527") violated 2 U.S.C. §§ 433 and 434, provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"), and conducted an investigation in this matter. On May 24, 2007, a conciliation agreement signed by NAR 527 was accepted by the Commission.

At the same time, the Commission dismissed allegations against NAR. Earlier, the Commission found no reason to believe that the Richard Burr Committee, NAR PAC or the North Carolina Association of Realtors violated the Act. The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

Accordingly, the Commission closed the file in this matter on May 24, 2007. Documents related to the case will be placed on the public record within 30 days. See Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files, 68 Fed. Reg. 70,426 (Dec. 18, 2003). A copy of the agreement with NAR 527 is enclosed for your information. In addition, copies of the dispositive General Counsel's Report and a Factual and Legal Analysis regarding the other respondents are enclosed.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,
